

"The role of the weekly newspaper is to mirror, faithfully and conscientiously, the community to the community, to provoke it where necessary, to praise it whenever possible, to defend it faithfully but always to serve it best by penetrating with the local news to a depth not possible with any other media."

From Vol. 1, Report of the Special Senate Committee on Mass Media, 1970.

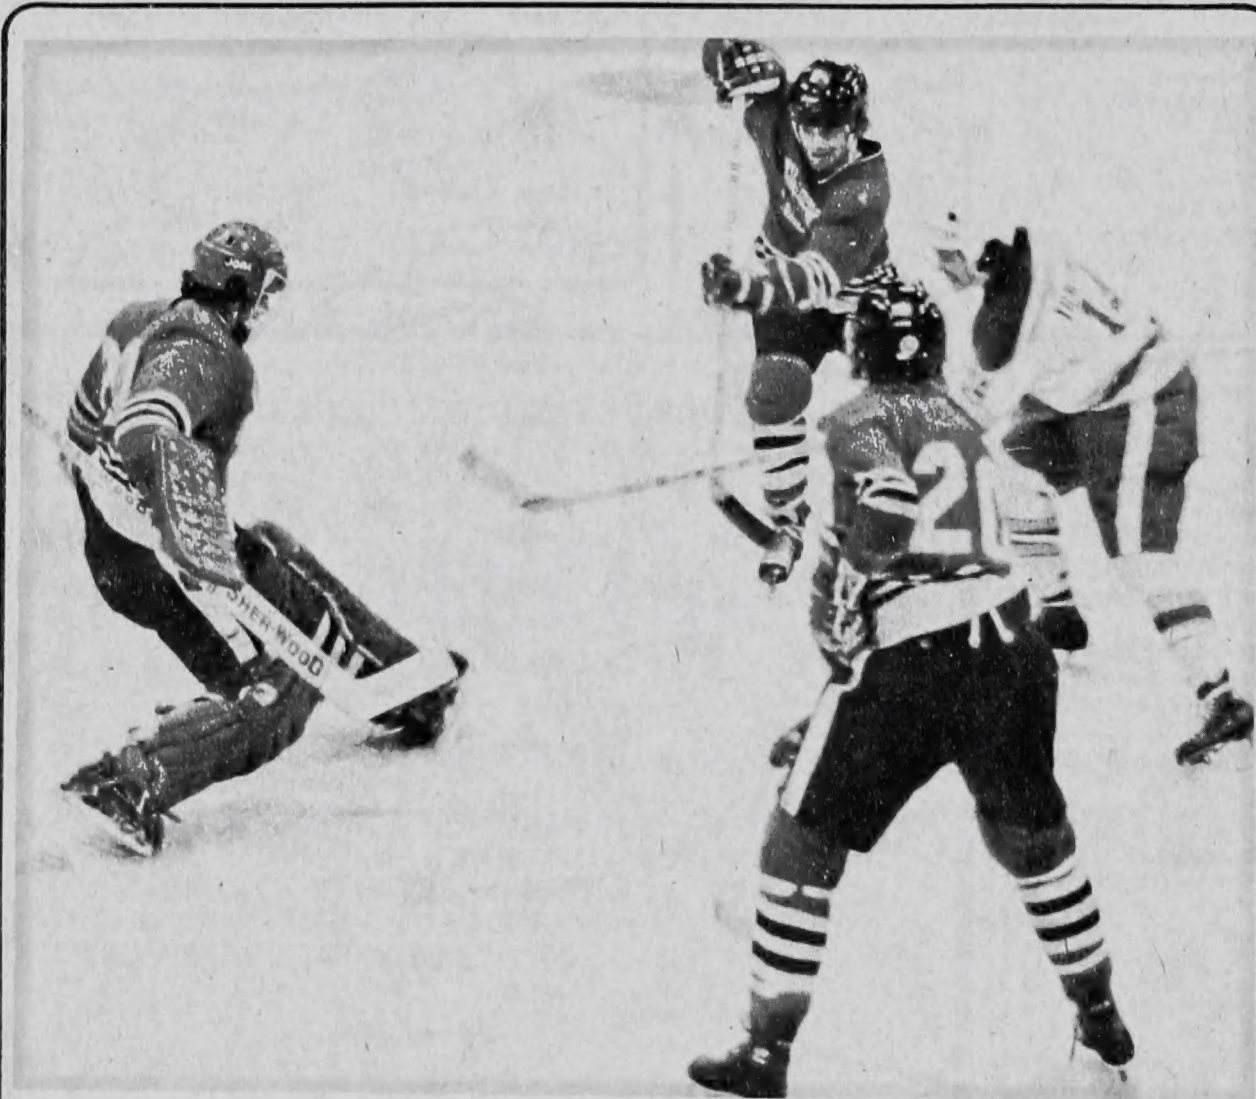

Haliburton County The Echo

The Haliburton County Echo was established in 1882 as the Minden Echo and Haliburton Recorder. It is an independent weekly newspaper serving Haliburton County as its voice for 94 years. The Echo is published every Wednesday by Algonquin Graphics Ltd. Box 360 Haliburton, Ontario.

Vol. 93 No. 27

Wednesday, March 2, 1977

20 cents

The Haliburton Huskies have taken a 2-1 lead in their best of seven semi-final series with Lakefield. The Huskies split the two weekend games played, winning Friday in Haliburton and losing Saturday in

Lakefield. The Huskies will take on Lakefield again tonight with game time slated for 8:30 p.m. For more details see County Echo Sports on page six.

\$2 per taxpayer

Recreation Director

At a cost of little over \$2 per year for each taxpayer in the municipality of Dysart, Haliburton could have a recreation director, and Haliburton needs one, says Don Popple, speaker at the Haliburton Rotary dinner last Thursday.

Mr. Popple, at present the office manager for Curry Motors Ltd., in Haliburton, has had several years of experience as a recreation director in Newmarket and has taught a recreation program at Sir Sandford Fleming College in Peterborough.

He spoke at Haliburton Rotary at the request of Scott LaRue about the need and possibilities for a recreation director who would service the Village of Haliburton. He suggested that one director could be jointly supported by Haliburton, Guilford, Harcourt and Wilberforce.

"People are demanding well rounded recreational programs these days," Mr. Popple said, "and in most places, are getting it. We do need a recreation director here," he feels, "not only for the sake of our

children." He mentioned the number of retired and elderly people who are in need of some direction, and said also "we have left our teenagers unchallenged."

"The purpose of a Recreation Director is four-fold," Mr. Popple explained. He would initiate new ideas and determine needs for community activities, where possible beginning programs to service those who have nothing arranged at present.

A prime function of the recreation director is to stimulate others he said. He must work with the clubs and organizations that are already in existence in a town and help them in new areas. Mr. Popple stressed that the purpose of the recreation director is not to take over activities or jobs that clubs are already managing. He is there to help, but not to do what others devote their time to.

The recreation director would be in a position to co-ordinate many of the activities in the community. Mr. Popple continued. He could act as a kind of clearing house for information. Mr. Popple gave an example

the recent weekend that a major hockey tournament and a bonspiel were scheduled for the same two days.

The administrative duties of a recreation director would probably be the most far-reaching and would be very beneficial. Mr. Popple noted that no business man would build facilities and then not make sure that they were being used to their full capacity. He feels that there is no reason for the municipality not to make sure that through co-ordination and programming, all the community facilities are being used to the utmost.

"Any facility with that much money tied up in it deserves the maximum usage it could have," Mr. Popple said. "The increased service made available to you and your families is going to offset the costs," he pointed out.

A figure of \$12,000 per year was given as an estimate of the salary that would have to be borne by the municipality for a recreation director.

Mr. Popple noted that the Provincial Government at present is pledging \$2,500, towards salaries of recreation directors at the outset, and that \$2,500 could also be expected from the government for office and operating costs, although that policy is under review.

"A person can recoup a good part of his salary because of the service he gives," Mr. Popple stressed. Part time or volunteer help did not accomplish as much as a full time recreation director could for the good of the municipality.

He noted that the more municipalities that could become involved, the better, since that would reduce costs, and that one man could handle a population base of up to 10,000.

Dysart Reeve Murray Fearrey, a guest at the dinner, was asked to calculate the actual cost to each homeowner of the \$10,000 that would be incurred by the municipality. He said that it would make a difference in taxes of about \$2 per ratepayer including the seasonal residents who could also expect to benefit from the ideas and leadership of the director.

Mr. Popple urged any who think that a recreation program was a high priority for the municipality to make the belief known.

School Board workers

45 cent pay increase

An increase of 45 cents an hour for the C.U.P.E. workers with the Haliburton County Board of Education has been agreed upon and was announced at the Feb. 22 meeting of the Board. Increases to Board administration salaried employees were also announced.

Richard Poole, chairman of the Board, noted that the increase to C.U.P.E. members brings the workers close to the municipal and county workers in terms of wage parity.

The increase is still subject to Anti Inflation Board approval.

Len Salvatori, trustee for Dysart et al and head of the Haliburton Board's Salary Negotiating Committee, noted that the C.U.P.E. bargainers had asked for an increase of 75 cents an hour, or 18 - 20 per cent, plus some increases in fringe benefits.

The increases in fringe benefits were negotiated, but were not granted, Mr. Salvatori said. He explained that while the Board's C.U.P.E. workers do not have parity with the municipalities, Board members on the Salary Negotiating Committee felt that good working conditions and job security made up for the lack of parity.

C.U.P.E. representatives accepted the settlement of 45 cents per hour, or about 9 per cent, effective Jan. 1, 1977. The A.I.B. guidelines laid down a 9.2 per cent increase. The basic rate will be \$4.65 per hour, and slightly higher for head caretakers, if the settlement receives A.I.B. approval.

Increases to the salaried personnel who work on Board administration, were also set out at the Feb. 22 Board meeting.

Effective in July of this year, director of education will receive a 7.6 per cent increase, and will earn a salary of \$44,200. The director's salary has not been increased since 1975, when a figure of \$41,000 was set.

Want lease with college

Attempts will be made to arrive at some kind of leasing arrangement with Sir Sandford Fleming College of Peterborough for the use of the Lakeview Centre in Haliburton, in the hopes that the College can be encouraged to consider itself a permanent part of Haliburton, according to Douglas Hodgson, director of education for the Haliburton Board.

At the recent meeting of the Board, a committee was appointed consisting of Ralph Anderson, Earl Cooper and Len Salvatori, trustees, Mr. Hodgson, director, and Jim Leworthy, business administrator for the Board. This committee will look into leasing possibilities with Sir Sandford Fleming, which now rents the Lakeview Centre at a modest rate.

The Haliburton Board is at present responsible for the major repairs to the building.

Richard Poole, chairman of the Board, noted that the Board agreed that they would like to see Sir Sandford Fleming offer courses of general interest or a retraining nature as well as the fine arts programs now carried out through the Haliburton School of Fine Arts.

Mr. Hodgson, who also works on the Board of Governors of Sir Sandford Fleming, noted that he would like to see the centre offer "more continued education on a practical, utilitarian model."

"I would like them to have a firm presence in this community," Mr. Hodgson said of Sir Sandford Fleming. It is hoped that the move to arrange leasing of the Lakeview Centre will help the College to regard the building as permanent quarters.

The business administrator will receive an increase of approximately 7.6 per cent, and effective Sept. 1 of this year, will be paid a salary of \$28,500. The salary of the business administrator, the year beginning Sept. 1976, was \$26,540.

The supervisor of maintenance, attendance and transportation will receive a similar increase to \$16,200 per year from \$15,000 for the year beginning Sept. 1976.

Mr. Salvatori explained that

School bus for students in subdivision

Students living in the new subdivision east of the Minden Community Centre will now be bussed to school, after having to walk 1.2 miles along North Water Street to get to Archie Stouffer School.

The Deacon's small bus which has a fairly short run, has been asked to report to the school a few minutes early so that students at the far end of North Water Street may be picked up as well.

The increase in cost to the Board will be about \$1 a day. The Deacon's bus can be hired for 30 cents a mile, Mr. Hodgson explained, and seemed to be the obvious choice for picking up the students.

This arrangement is to last only until there are no more Kindergarten, grade one or two students attending school from the subdivision.

15.3 per cent increase in school taxes in Minden

Anson, Hindon and Minden will bear a 15.3 per cent increase in school taxes this year, with a 4.8 per cent increase being charged to Dysart and an 11.2 per cent increase going to Stanhope.

These figures are the result of the final budgeting of the Haliburton County Board of Education, determined in two special budget meetings, Jan. 25 and Feb. 1. The final apportionment was announced at a meeting of the Board Feb. 22.

The average increase in taxation this year, for the 10 municipalities in Haliburton County, is 8.9 per cent.

The total school budget for 1977 is \$4,290,024.00, an increase of 10.86 per cent over last year's budget of \$3,869,747.00.

Provincial grants were also increased somewhat, keeping the levy charged to the municipalities to an 8.9 per cent increase.

Under the requisition laid out at the last Board meeting, Anson, Hindon and Minden will pay \$57,224, more in school taxes. Dysart et al will pay \$29,390, more and Stanhope will foot an increase of \$26,417.

These figures have been calculated according to the Ontario regulations for legislative grants, and reflect the increase over the 1976 apportionment as it was adjusted by the Ontario Municipal Board.

The 1975 requisition was contested by Anson, Hindon and Minden and Stanhope who appealed the amount of their apportionment under the regulations, asking that the apportionment be calculated on a different, and they felt, more reasonable assessment base. The O.M.B. supported the appeal, and ordered Haliburton's 10 municipalities to pay varying proportions of over and under levies to adjust the apportionment.

see page 3

according to A.I.B. guidelines the salaries of the executive office staff could be totalled, the eight per cent of that total calculated, and that amount of money divided among the three in whatever proportion trustees decided. The final decision, however, was to divide that amount of increase into thirds.

Office workers for the Board will receive 8.2 per cent increases. Salaries of \$10,840 and \$10,211 were set for 1977.

All salary and hourly increases set by the Board at the last meeting are subject to A.I.B. adjustment. Mr. Salvatori noted that the A.I.B. has adjusted both up and down in the past.

Instructions

Christopher Greenfield gets some last minute instructions from his father Norm (top) before getting on the ice. In the bottom photo Christopher gets to try out some of the instructions with the careful guidance of his father.

Don Popple, office manager of Curry Motors Ltd., and former recreation director for the Town of Newmarket, was the guest speaker at the Rotary Club monthly meeting. Mr. Popple told the club that it would only cost \$2 per taxpayer to have a recreation director in Dysart et al. Thanking Mr. Popple were Scott LaRue, who arranged to have the speaker at the meeting, and Art Ward, president of the Rotary Club.

Ontario Hydro

METER READING PREQUALIFICATION

Ontario Hydro invites interested parties to submit an outline describing their capabilities to perform meter reading services in the Minden Area. Subsequent to the examination of the outlines received, tenders will be invited from parties who meet the prequalification criteria.

Prequalification documents may be obtained:

From: 700 University Avenue, Toronto 13th floor reception desk

OR

Minden Area Office Highway 35 Minden, Ontario

Write: Ontario Hydro Attn: J.A. Tomlinson H13 E6 700 University Avenue Toronto, Ontario M5G 1X6

Phone: (416)592-3571

Prequalification submissions will be received up to March 23, 1977.

17 days

John Cooper of RR1, Minden, was given a 17 day jail sentence in the provincial court in Minden on Feb. 22 for a second offence of impaired driving.

The minimum penalty for a second offence of this nature is 14 days in jail, but since Cooper will be allowed to serve the sentence on weekends, the term was lengthened.

The date of the offence, which occurred on highway 121 east of Minden, was Dec. 3.

A condition of the sentence is that he drink no alcohol for a probation period of 40 days, covering the time of the intermittent sentence.

News from Extendicare

BY CHARLES PLEWMAN

The Haliburton Extendicare is only one of the 19 Centres operating in Ontario with several more in Manitoba and Saskatchewan.

The governing body is in Toronto. I imagine that the same tried methods and practices operate in most local centres. That not only make for efficiency but also for more harmony.

To the local citizens who saw the need, our Centre is a dream that has come true. One wonders, when they see the around 60 handicapped residents, how their families were able to cope with the situation.

It is just too bad that Canada lacks the singleness of purpose and the co-operation of its component parts. Instead of co-operation between the Provinces and the Federal Government, we have a constant tug-of-war. Regional affairs so dominate our inter-provincial gatherings with Ottawa, that matters that have to be with developing a National consciousness - and a sense of direction, are crowded out.

It is time that British Columbia felt that it was an integral part of Canada, that the Prairie Provinces forget they have been dominated by the East (meaning Quebec and Ontario) and that the Province of Quebec realize that its interests and culture will flourish better in a Canada that has accommodated itself to the French fact, than starting out alone amidst 225 million English speaking people.

Canadians will need to be more flexible - more willing to give and take if Canada is not to become a thing of the past. I know it sounds ridiculous but it could happen.

Most of us here did not get out to witness the Rotary Club's Carnival, we hope that their efforts were successful.

The Senior Citizen magazine raises the question of "death with dignity". Speaking for myself, I see no reason why a person whose health has gone and who has nothing to live for should be kept alive by machines or other artificial methods, if it is his or her desire to pass away.

On Monday, the 21st, we held our usual Games and Exercises period.

On Tuesday, the 22nd we had a good game of Bingo in the afternoon and in the evening we enjoyed another work out in Carpet Bowling.

On Thursday, the 24th, we had our Games and Exercises to limber us up a little.

PERSONALS

Mr. Berkeley Feir returned Friday the 25th of February from hospital in Peterborough. Miss Elston and Mrs. Lewis spent two days attending the 1977 Institute on Nursing Home Care Conference at the Inn-On-The-Park in Toronto. The highlights of the Conference were "A session devoted to understanding long term care" by Charles Plewman.

Miss Elstone and Mrs. Lewis spent two days attending the 1977 Institute on Nursing Home Care Conference at the Inn-On-The-Park in Toronto. The highlights of the Conference were "A session devoted to understanding long term care residents by sensitizing and modifying the attitude of staff through education" by Elaine Baillie, Activation Consultant, Ministry of Health and a presentation of some of the psycho-social aspects of clothing for the elderly person, along with a demonstration by Mrs. Judith Wagman, O.T.

With us are Alice and Edith Hartle (the latter being the mother and the former the daughter).

Mrs. Isabel Hogg hails from Irondale and had her 97th birthday this week.

Mrs. Gladys Holland is the quiet one who always has a smile on her face. Her home is Haliburton.

Mrs. Rena Horsley has a dedicated visitor in the person of Mr. H. Osborne. She is a very friendly lady.

Our Devotional Period on Friday the 25th was led by Capt. D. Burry of the Salvation Army. He spoke on the "nearness and dearness of God". Far from being absent, he was nearer than hands or feet, nearer even than breathing.

Challenge is issued

A challenge has been issued to members of the Haliburton Scouts and Haliburton Rotary by Garnet Graham of Fenelon Falls.

Mr. Graham announced at the Scouts' Father and Son Banquet held recently in Haliburton that he would donate \$50 to the organization that showed the best attendance by the first of June.

Mr. Graham was entertaining the Scouts and their parents at the banquet when he made this generous offer.

A referee was chosen to look over the attendance records when the time comes and decide the winner. That referee is Doug Hodgson, deemed to be a neutral party.

Best of luck to both sides.

\$1200 damage in crash

A two car accident Saturday afternoon, on St. Peter's Road, resulted in \$1,000 damage to a car driven by Charles Morrish, 54, Beaumaris, Ont. and \$200 damage to a car driven by Margaret Ashman, 35, of Haliburton.

There was a total of \$2,500 damage to two vehicles as the result of an accident Saturday on County Road 2.

There was \$1,000 damage to a car driven by Jacqueline Chillman, 40, of Downsview and 1,500 damage to a car driven by Gerald Chillman, 22, also of Downsview.

A single car accident, Thursday, resulted in \$500 damage to a vehicle driven by Emile Duchene, 35, of Haliburton.

The accident took place on highway 519 at 10:15 p.m.

Property owners do not want discrimination

Stanhope property owners' association representatives "absolutely insisted that they should not be discriminated against" by a seasonal residential clause in the restricted area bylaw that is being pushed forward by that township, according to councillor John Tomlinson.

Along with councillor Napier Simpson, Mr. Tomlinson met with five representatives of the three property owners' associations in Stanhope, Feb. 16 in Toronto.

Mr. Simpson reports that the representatives "were absolutely adamant" about excluding the seasonal residential clause from the bylaw.

He said that he has now written to planner William Dolan in charge of the restricted area bylaw with consultants, Totten, Sims and Hubicki and has instructed him to proceed with the bylaw removing the seasonal residential meaning of the SR zoning.

Council learned at the Feb. 9 meeting that it would be possible to change the meaning of the SR designation that already appears on the maps of the draft bylaw. They were told by Mr. Dolan that the SR could be altered to mean shoreline residential.

Shoreline residential would permit both part time and permanent residences within the SR area.

Seasonal residential zoning was objected to by property owners in Stanhope on the grounds that it was discriminatory, permitting only part time use of properties on which owners pay full taxes.

When the solution of changing the SR designation to mean shoreline instead of seasonal residential came before council Feb. 9, Reeve Sinclair Nesbitt asked that councillors contact representatives of the property owners' associations to see if they had "really thought this out". He feared that there would be no way for the township to protect development along the lakes if the seasonal residential meaning was dropped.

Art Wall, president of the Maple Lake Property Owners' Association who was present at the meeting with the councillors, said that the change in meaning was presented to them on Feb. 16 as a solution that "would save the township some

money in the rewriting of the bylaw". The SR designation already printed on the maps of the bylaw will not have to change meaning a large saving in reprinting costs.

Mr. Simpson noted that the property owners who were at the Feb. 16 meeting "recognized that it is against the provincial rules of the game" to try and have a restricted area bylaw without a seasonal residential clause.

He said that they realized that "there may be an appeal to the Ontario Municipal Board." The OMB at present stands in favour of seasonal residential zoning as a method of controlling development on lakeshores.

Mr. Tomlinson said further that property owners indicated at the Feb. 16 meeting that "if it goes through as seasonal residential then they will go to the OMB to demand a cut in taxes."

Mr. Wall explained that seasonal residential zoning as defined in the original bylaw "prevented people with a considerable financial stake in the area from the full use of their properties" although they pay full taxes for full services. "It's not that we are likely to be in a position where we would use those services," he said, "but we feel that should not be denied those services if we are."

As Mr. Simpson pointed out, Stanhope council had resolved in November to support the property owners' objections.

Present at the Feb. 16 Toronto meeting with Mr. Wall were Don Carothers and Beverley Robinson of the Maple Lake Property Owners' Association, Jim Hicks of the Boshkung Association and George Attridge of the Hawk-Halls group.

The bylaw will now define two types of residential properties Mrs. Tomlinson explained. There will be provision for rural residential and shoreline residential, with the only difference between the two being the size of the building that can be put on each property. A minimum of 800 square feet must be the size of a rural residential home. Houses within the shoreline residential areas must be at least 600 square feet in floor space and can be added to and made permanent.

Teaching staff changes

The Haliburton County Board of Education authorized two teaching staff changes at the recent Board meeting that will take effect in the coming school year.

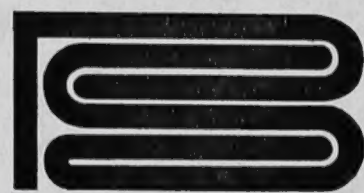

Audrey Chambers,rarian at Archie Stouffer Public School, in Minden, has been granted a leave of absence for the academic year of 1977-78.

Mrs. Chambers plans to study for her Masters in Library Science at the University of Western.

The Board also accepted, with regret, the resignation of John R. Miller who teaches at the Haliburton Highlands Senior Elementary School in Haliburton. That resignation takes effect June 30 of 1977.

In hospital

In the Haliburton Red Cross Hospital this week are Mr. Dave Burke, Mrs. Ethel Fader, Miss Patricia Rowbottom and Mrs. Carolyn Drake.

CORPORATION OF THE TOWNSHIP OF STANHOPE

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER OF A PROPOSED BY-LAW OF THE CORPORATION OF THE TOWNSHIP OF STANHOPE TO CLOSE THAT PORTION OF PART OF THE ORIGINAL ALLOWANCE FOR ROAD BETWEEN BROKEN LOT NUMBER 20 AND BROKEN LOT NUMBER 21 IN THE TENTH CONCESSION OF THE TOWNSHIP OF STANHOPE

NOTICE IS HEREBY GIVEN, pursuant to Chapter 284, Section 443 of the Municipal Act, that the Township Council of the Corporation of the Township of Stanhope proposes to consider and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, R.R. #1, Haliburton, Ontario on Wednesday, March 9, 1977 at 4 p.m., a by-law to close, stop up and convey the following:

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of Stanhope, in the Provisional County of Haliburton, in the Province of Ontario, being composed of part of the original road allowance between Broken Lot Number 20 and Broken Lot Number 21 in the Tenth Concession of the said Township, more particularly described as follows:

PREMISING the Western Limit of said Lot 21 in the Tenth Concession to be on an astronomic course of North 20 degrees 51 minutes 40 seconds West and relating all bearings herein thereto;

COMMENCING at a point in the Western Limit of said Lot 21, distant 329.3 feet measured on a course North 20 degrees 51 minutes 40 seconds West thereon from the Southwesterly Angle of said Lot 21;

THENCE continuing on a course North 20 degrees 51 minutes 40 seconds West along the Western limit of said Lot 21, a distance of 470 feet to the intersection of the Western Limit of said Lot 21 with the inner limit of the road allowance along the shore of Little Hawk Lake;

THENCE in a general northwesterly direction following the said inner limit of the road allowance along the shore of Little Hawk Lake to the intersection of the said inner limit of the road allowance with the Eastern Limit of said Lot 20;

THENCE on a course South 20 degrees 51 minutes 40 seconds East along the Eastern Limit of said Lot 20 a distance of 500 feet more or less to a point in the Eastern Limit of said Lot 20, distant 332 feet measured on a course North 20 degrees 51 minutes 40 seconds West thereon from the Southeasterly Angle of said Lot 20;

THENCE North 71 degrees 29 minutes 00 seconds East, 66.05 feet to the POINT OF COMMENCEMENT.

THE PARCEL as herein described is shown outlined in red on a plan and field notes of survey dated January 16th, 1952, signed by Charles P. O'Dale, O.L.S. of record in the Ministry of Natural Resources, Ontario, a duplicate of which plan and field notes is attached to an forms part of this deed of land.

AND TAKE FURTHER NOTICE, that before passing the said By-Law at its meeting to be held at the time and place above mentioned, the Township Council of the Corporation of the Township of Stanhope, shall then and there hear in person or by his Counsel, Solicitor or Agent, any person who claims that his land will be affected by the said by-law and who applies to be heard.

DATED AT STANHOPE this 11th day of February, 1977.

Gerald C. Bain
Clerk

Golden Slipper is now only good memories

The Golden Slipper, a landmark in Haliburton and in the memories of almost everyone who grew up in the region, is now gone.

The Slipper that housed music, dancing and good times and for many was a part of life, was burned to the ground and bulldozed

away Feb. 18th. It used to stand on the Kashagawigamog Lake Rd. near Haliburton Village.

Operated for the last 29 years by Al Perrin, The Slipper had its beginning under Roy LeBoutillier who built the dance pavilion and got it going in 1935. Mr. Perrin took it over in 1944.

Wren Blair, president of Haliburton Youth Development which gained control of the LeBoutillier farm in the 1960's said that The Slipper had got to the point where it was almost impossible to operate without major repairs.

He said that there was a fear that the building would collapse. The fastest way to dispose of it, he said, was to burn it in the winter.

It held a lot of nostalgia, Mr. Blair admitted, and was a landmark in the community. Many will regret that it had to be torn down.

"We did it most reluctantly," Mr. Blair said, and the feeling can be imagined. The Slipper passed before most people had time to mourn the fact that it had to go. With only the evidence of fire left to indicate the location of a building that was once lit by a very special kind of light, any one who knew The Slipper will have to resort to memory now for the twinge of nostalgia associated with the place and times.

The landmark is not there.

Minden News

At the weekly Mini Card Party at the Parish Hall last Thursday afternoon winners were for bridge Drois Craig, for cribbage Bill Bennett and Lil and Jeanne and for euchre Della Griffin, Johann Beattie and lone hands, Mae MacArthur.

The community sends belated good wishes to these people at Hyland Crest having birthdays in February, Ellen Knight, Alice Fearney, Mabel Lyons and Bill Hounsell.

The A.C.W. Pancake Supper at the Parish Hall had a goodly crowd enjoying their meal.

There was also a good crowd at the Scout Mother's Auxiliary Bake Sale-bazaar with funds going to their summer project.

The past several Wednesdays have seen book exchanges at the branches of Haliburton County Public Libraries with all outlets receiving new books. Drop in at your library and pick up your own favourite author.

Sincere sympathy goes to the families and friends of the late Ernest Ireland who passed away since last week.

Mrs. Lillian Stevenson spent the last two weeks in Toronto visiting her son and his family.

Miss Lola Stevenson was surprised last week as for the fourth time in her eighteen years with the Royal Bank, the Kingston Branch was held up and over forty thousand dollars stolen by a lone robber.

All her friends send good wishes to Bertha Hughes who has been a patient in the local hospital, and to Flo Dollo at Sunnybrook Hospital, Toronto.

It is hoped that ladies from the village will attend the World Day of Prayer this Friday at Hyland Crest Chapel, at 2:00 p.m.

Harry Davis of Maple Lake holds up a frozen visitor found in his daughter's garage last month. It is a great horned owl, wing span an estimated four feet. The bird seems in a perfect condition, and must have died a natural death, Mr. Davis said. He hopes to have it stuffed and mounted, but frozen as it was at the time of this picture it looks already prepared.

Snowarama set to go

Postponed because of poor lake conditions, the Haliburton-Minden Snowarama is now set to go on Sunday, March 6.

The two starting points for Whipper Watson's Snowarama for Timmy are the fairgrounds in Minden and the Haliburton High School between 8:00 a.m. and 10:00 a.m.

The official 100-mile trail winds through Mountain and Kinnis Lakes, Haliburton, Lake Kashagawigamog and Canning Lake to Minden.

Last winter, 230 snowmobile enthusiasts entered this increasingly popular winter event raising \$17,853 on behalf of the Ontario Society for Crippled Children and its local Easter Seal service clubs.

Snowarama is more than just a fund raising event. It is designed to show that, in careful hands, snowmobiles provide safe, enjoyable winter recreation without needlessly damaging the environment.

Despite the initial setback of postponement, local organizers are hoping for an even bigger turnout this time. Anyone interested in entering this event may obtain sponsor sheets from

Anson, Hindon and Minden salaries

Salaries for Anson, Hindon and Minden employees, not reported at the time when councillors salaries were set, are as follows for 1977:

Clerk administrator, \$20,579; road superintendent, \$13,878; bylaw enforcement officer, and arena manager, \$13,500 each; and deputy clerk, \$10,308.

All of these figures show an eight per cent increase over last year's salaries. The eight per cent increase set for salaried municipal employees at the Jan. 26 meeting of council was also extended to cover hourly workers.

The top of the municipal hourly scale for 1977 will be from \$5.04 for machine operators, an eight per cent increase from the 1976 figure of \$4.67.

Municipal labourers will receive an increase from \$4.25 an hour to \$4.59 in 1977.

Prentice Roads or Walker's business outlet or store in Texaco in Minden or any Haliburton.

Report from Queens Park

by MPP John Eakins

A great deal has been said and will be said again on the question of national unity. I, of course, have some thoughts of my own, which I hope to express some day soon. The need for world brotherhood and friendship and understanding is not something that should suddenly come alive with a particular crisis, but rather it should be in our hearts and minds and developed continually.

In any case, on January 27, I was driving towards Haliburton when I tuned in to CFRB and heard Charles Doering give his version of the Canadian Unity situation. I thought he said it well and I would like to leave it with you for your own perusal:

"Canadians are walking around mumbling to themselves when they should be talking out loud. They should be shouting to the highest heights their conviction about keeping this country together. One Canada for all Canadians. Let's see it on bumper stickers, in shop windows, on sign boards, in magazines. Let's see it in little corner stores from British Columbia to Newfoundland."

"The majority of Canadians are people from many lands who have blended their talents and their heritage into the Canadian way of life. They do not want to be legally forced to be bilingual in nine provinces and unilingual in one."

"In Canada, our lives are continually being enriched by men and women of every colour and creed."

"This is a multilingual country with two official languages. But that should not separate us... it should bind us together. French and English, along with the 90 other languages in the world. Canada needs more linguists. To continue to maintain our friendship with other nations and promote unity in this country... let us unite as Canadians and become multilingual in our cordial relationships with other nations before it is too late."

"Let us stop this nonsense ... this road to nowhere talk about French Speaking and English Speaking people."

"What we need is a sense of togetherness ... some flag-waving from Atlantic to Pacific."

"What we need is a sense of togetherness ... some flag-waving from Atlantic to Pacific."

"We need to tell people like Rene Levesque ... we aren't interested in his efforts to break us apart. They are almost seditious and treasonous."

"We don't need his kind... we don't need his influences. And when I say WE ... I mean Quebecers ... Newfoundlanders ... Albertans ... Wherever. There may be ten provinces, but by God there is only one Canada, and I haven't spent 49 years here to have some zealot and his followers suddenly wreck it all."

"Winston Churchill said, and I repeat ... 'If we have a quarrel between the past and the present, we shall find that we have lost the future.'"

"So... come on, Canadians. Come out of the woodwork. Show Levesque and his ilk that we are sick and tired of the efforts to disunite and divide us."

"This is Canada. One Canada for ALL Canadians, and it is going to stay that way."

See you next week.

HALIBURTON

Fined \$250 for impaired driving

James E. French of Peferlaw pleaded guilty in the provincial court in Minden, Feb. 22 to a charge of having the care and control of a motor vehicle while ability to drive was impaired, and was fined \$250. He was also fined \$75 for having an open container of liquor in the car. His driver's licence is automatically suspended.

The offence was committed on Jan. 16, on highway 121 in Dysart.

Pleads guilty to theft under \$200

David Bell, who boarded in Minden, pleaded guilty to a charge of theft under \$200, in the provincial court in Minden, Feb. 22 and was fined \$100 and costs.

The charge was reduced from theft over \$200 and resulted from an incident that occurred at the Henderson home on Oct. 23, 1976. Bell is reported to have removed \$75 from a purse.

Restitution of that amount has been made.

VICTORIA HALIBURTON PROGRESSIVE CONSERVATIVE ASSOCIATION

ANNUAL MEETING

MONDAY, MARCH 14th, 1977

MOOSE HALL, LINDSAY

Guest Speaker:

The Honourable

Roy McMurtry

Attorney-General of the Province of Ontario

Tickets may be obtained from your local Progressive Conservative Association representative OR by contacting Ted Hill, Secretary, 324-6711

For catering purposes, all tickets must be purchased prior to date of event.

School board levies

from page 1

Anson, Hindon and Minden received a rebate, in effect, of \$18,413. Dysart paid an increase in the 1976 requisition, following the 1975 O.M.B. hearing, of \$32,179. Stanhope's levy was decreased by \$9,304.

The figures for the 1977 requisition, calculated once again according to Provincial regulations, and not according to the apportionment requested by the municipalities who appealed the 1975 figures, show the increase to be borne this year over the adjusted amounts paid last year.

If the 1977 and 1976 requisitions had both been set out according to the Provincial regulations, without the O.M.B. adjustment that affected the final 1976 amount, Anson, Hindon and Minden would be paying a 9.9 increase this year over 1976.

Dysart et al would bear a 10.6 per cent increase over unadjusted 1976 requisition figures, and Stanhope would pay a 7.0 per cent hike.

Stanhope and Anson, Hindon and Minden recently appealed the 1976 apportionment, calculated according to the regulations. The O.M.B. hearing for that appeal was held in Minden Jan. 30 of

this year.

If the O.M.B. adjusts the 1976 apportionment as a result of that hearing, the adjustment will appear once again as over and under levies to be paid. The decision will not affect the budget.

and apportionment approved at the Feb. 22 meeting of the Haliburton Board.

1977 requisition figures also show that Dysart et al pays 30.4 percent, or about one third of the total amount requisitioned by the board from Haliburton County's 10 municipalities. Anson, Hindon and Minden, the next largest municipality, pays 20 per cent, or one fifth of the total. Third largest, Stanhope, pays 12.4 per cent. Requisition proportions are calculated according to the assessment base in each municipality and in the county. The percentage increases in 1977 for the remainder of the municipalities in the County are as follows: Cardiff, 1.8; Glamorgan, 10.8; Lutterworth, 6.7; Monmouth, 9.8; Sherbourne McKintock and Livingston, 12.5; Snowdon, 5.0; and the improvement district of Bicroft 12.2 per cent.

Echo editorials

Carnival was great but could use improvements

The Annual Haliburton Rotary Carnival for 1977 is over and what a success it was. Possibly this is one of the best winter carnivals that we have ever held. Blessed by good weather for a change and great participation in all the events all added up to a wonderful weekend.

Now that it's over we think that it is time to look back on just what happened and possibly look at some of the changes that can be made for another year.

In our opinion there were only two events during the entire weekend that left something to be desired. One was the kick-off dance held at the Legion Hall on Friday night that was very poorly attended. Possibly next year some other attraction could take the place of this Friday night event.

They say that there's nothing like a parade and this is one of the main attractions that bring people into town. This should be the biggest event of the carnival. We must face reality and admit that the parade was a flop. As one person was heard to remark, if you happened to blink your eye you missed the parade. If one is going to criticize anything then they should be able to come up with an answer. It would appear to us each Rotarian who is in business must make an effort to get some kind of float next year in the parade. Every business establishment in the community and this includes the Haliburton County Echo must make sure that next year we are all represented in this parade. It's a must.

All in all it was a great Carnival with some new added attractions that went over big and our thanks once again to Carnival chairman Mike Stinson, the members of the Rotary Club assisted by the Haliburton Kinsmen Club and all those who helped out in any way for coming through with one of the main highlights of the winter season.

National Scout Week

National Scout Week has come and gone with as little fanfare as it usually has.

Probably the only people who realized it was national scout week were the Cubs, Beavers, Adventurers, Brownies and Guides who celebrated the week and in all likelihood most of their parents.

The scouting movement has been with us for a number of years, 25 in all in Haliburton since the beginning of the Haliburton Cub Pack A.

Lord Baden-Powell started something good when he initiated Scouting around the world, something that is continuing to be good even today.

We have heard many times over that youth activities, such as Scouting, no longer interest youngsters, but by the response and the number of youngsters and young adults involved in Haliburton we can see that this is a long way from the truth.

Scouting has and will continue to play a major roll in the development of a great many of our children.

Good snow removal

Now that winter is winding down, it is time to comment on the type of snow removal operations that have taken place in Haliburton County.

From all sides, the removal of snow from our roads has been very good. The Ministry of Transportation and Communications has kept the highways clear, while the county and municipalities have done an excellent job of removing the snow from our local roads.

We can be thankful for the job that has been done in light of the type of winter we have experienced, with a large amount of snow.

When we hear reports from other areas of the province and the problems they have experienced this winter with the snow, it shows us that our local snow removal operations are second to none and the work forces and men who do the job can do it as efficiently as possible even when the going gets rough.

Pic of the Past

The above photo shows a man dreaming as he looks from a bridge to a lake near Maganetawan, Ontario. The car was owned by Keith Cameron who now resides in Wilberforce. Our thanks to Keith Cameron for submitting this most interesting photo.

Haliburton Highlights

BY CREIGHTON FEIR

For a change the Haliburton Rotary Club were quite fortunate to have excellent weather for their weekend activities for the annual Haliburton Winter Carnival. In past years we have not been so lucky.

Graeme Wallace a Grade 13 student at the Haliburton Highlands Secondary School was a recent speaker at the Brotherhood of Anglican Churchmen monthly communion and breakfast held at St. George's Anglican Church at Haliburton.

We are glad to report that Mr. Cecil Robinson who has been a patient at the Civic Hospital in Peterborough has returned home and is on his way back to recovery. It will be a little while before he will be returning to work.

Mr. and Mrs. Len Ellison, Mr. and Mrs. Gary McKnight and Mr. and Mrs. Lyle McKnight have returned home following a vacation in Jamaica.

It was good to see Dr. and Mrs. Terry Hicks back for the Haliburton Winter Carnival renewing old acquaintances.

A study of the month of March over a four-year period shows that 82 per cent of accidents investigated by the Lindsay OPP were

caused by local drivers, according to Constable John Mitchell community services officer for the Lindsay detachment. He said the discovery of the interesting statistic was made at a recent meeting of the detachment planning committee.

Our thanks to the Dysart council and their road employees who did such a marvellous job of keeping the snow cleared away for the Winter Carnival.

You have to take your hat off to the principal Mrs. Ruth Gorrie and teacher at the Victoria Street School for the very active part they played in the Haliburton Winter Carnival. We must not forget that they are really a big part of the Carnival.

Our prayers go out to Mrs. Olga Roberts who has been a patient in hospital for the past several weeks. We wish Olga a speedy recovery.

We are getting very close to Snowarama which will be held on Sunday, March 6th. Proceeds are to aid Crippled Children and Pledge Sheets are available from most businesses or from any Rotarian. It is being sponsored by Whipper Billy Watson, Haliburton County Snowmobile Association and the Rotary Club.

Mr. and Mrs. Lloyd Coneybeare are at present vacationing in California.

Editor's notebook

BY JIM BADGLEY

Now that the Haliburton Winter Carnival is put away for another year, we can sit back and marvel at the success of most of the events. This year I would suspect that the good weather had a great deal to do with the success of the carnival.

One of the best comments I heard about one of the carnival attractions was when a notable village citizen, viewing the Labatt's Blue Balloon gently floating about 100 feet up in the air, said "I have been higher than that on Labatt's."

During my journeys taking pictures I was quite surprised at the large crowds that gathered at many of the attractions. Some of the new events must have been bigger successes than expected by the organizers.

The cross country ski tour had almost 100 participants. A few years ago one would have had trouble finding 100 cross country skiers in all of Canada let alone getting that many to one event in Haliburton.

The bed races had to be the biggest hit of the carnival. The entire street was lined with people standing two and three deep to see this new addition to the carnival activities.

I can see the point made by J.D. Hodgson, director of Education for the Haliburton County Board of Education, concerning the problems that arise from schools being closed in bad weather.

His concern is that someone has to take care of the youngsters when they are sent home early and in this day and age sometimes the parents just aren't at home during school hours.

Monmouth citizens found out last week that they will have to give a little more if that area is going to continue to have an arena.

I would suspect that if any area can get everything together to raise money it would be Monmouth. The citizens of the township seem to have a knack of finding projects in which funds can be raised.

This time though the amount is going to be very high, possibly in the \$50,000. category which will make it that much more difficult.

If Monmouth is going to build a new arena, it will require a great deal of work in raising the money by all of the citizens of the township.

This and That

BY JENNIFER WOODS

If you are concerned about what your family is eating and what you are choosing for them to eat then I urge you to read NutriScore by Ruth Fremes and Dr. Zak Sabry. In it they discuss the benefits of polyunsaturated fats over saturated fats and the bad side effects of the "fad diets". If you have ever wondered what vitamins and minerals you really need to stay healthy and where they come from, then this book will tell you. It also contains some recipes that have reduced saturated fat content. The authors are against margarines that have only the words "vegetable oils" on its label of ingredients. Too many times these solid margarines contain a great deal of coconut oil which is a saturated fat. The producers of these margarines are allowed to be evasive about their labelling. So we really don't know what we are eating. To be on the safe side it would be best to stay with soft margarine that is 100% corn oil, or try this recipe from NutriScore for Blended Butter.

1 egg
2 tbspn. powdered skim milk
3/4 cup oil or safflower oil
1/4 lb. butter at room temp.
Combine the egg white and powdered skim milk in a blender, and leave for 5 minutes. When the egg white is frothy, slowly add the oil with the motor at low speed. Add softened butter and blend until smooth. Put into a covered container and refrigerate. It makes 2/3 of a pound.

The blended butter should be removed from the fridge just before use as it softens rapidly at room temperature. The taste is very much like butter and again we know what we are eating. This blended butter can be used for spreading, greasing and baking. For those on a low cholesterol diet its perfect and cheap.

Clarified blended butter has fewer ingredients. You omit the egg white and the milk powder. (These add to the blended butter's solidarity.)

1/4 lb. of butter
3/4 cup of safflower oil or corn oil
Heat the butter until it liquifies. A milky residue will sink to the bottom and the clear, yellow liquid can be poured off to be mixed with the oil. Remove from heat. Add the oil to the butter and beat with a fork. Pour into a covered container and refrigerate.

I am really pleased with the recipe for the Blended Butter because it is a real saving and it tastes good. I hope you try and like it.

I would also like to take this opportunity to thank all the readers that have written in to me. Thanks for the pat on the back.

Jennifer Woods

Monmouth News

by Pearl Foster 448-2041

The bad weather on Wednesday had a lot to do with the small attendance for the euchar at the old school. Those who did attend thoroughly enjoyed themselves with the High Ladies (at 71) going to Lettie Mitchell, the High Mans (at 77) going to Len Foster. Lone Hands (7) going to Eldon Sibley and with the score of 49, Warren Mitchell gets the prize for Low Score, and the Travel Prize went to Ross Limrick.

Sall Mather and the U.C.W. of Wilberforce are organizing the community women for a Beef Dinner for March 5, 1977. Tickets are available at the Municipal Offices.

The Beef Dinner is to be the Kick-Off Event for the raising of \$50,000 arena fund. Come one, Come all.

Other members of the community to hold a money raising event this month will be the Skating Club.

The Skating Club has set aside their own skate-a-thon, and offered to hold a community skate-a-thon with all the proceeds going to the arena fund. Pledge sheets are available at prominent locations in Wilberforce, Tory Hill and Gooderham.

Birthday wishes go out to Mildred French, Vi Dunford, Monica Kennedy, Art Barras, Robert Tallman and Lucille Klapow.

Happy Anniversary to Millie and Bill Young, Jack and Kate Footit and Wayne and Judy Stoughton.

COUNTY ECHO FAMILY

Stanhope committee is looking for swimming area

Stanhope's newly formed recreation committee headed by Dorothy Kinsman, has been seeking information on the possible location of Red Cross swimming areas for the summer of 1977.

Mrs. Kinsman spoke to the Minden Red Cross at the February meeting, and asked if the Minden swimming program was to be carried out at Twelve Mile Beach again this summer as it has been in the past. She also came to the Red Cross Association for advice on how a swimming program could be set up and financed.

Final understanding on the matter of whether or not there will be a swimming area closer to Minden this summer has not been received by the Minden Red Cross.

Rotary Park is being developed as a swimming

area, but there was some question among members of the Minden association as to whether the facility would be ready for this summer.

Don Berry, with the Minden Red Cross said that he "saw no reason to doubt" that there would be a swimming area in Minden this summer.

Red Cross president Alan Stott said that the Stanhope group would have to make their plans following the

Minden Red Cross arrangements once they were set.

Mrs. Kinsman discussed with the group the advantages of setting up an additional swimming program in Stanhope. It was noted that the cost of bussing Stanhope students to Minden for instruction might be more expensive than setting up a new

program, if the Minden Red Cross relocates from Twelve Mile this summer.

The Red Cross swimming program is financed by grants from the municipality through the Minden Recreation Committee, Anson, Hindon and Minden Council, Minden Rotary and pupils' fees. It was pointed out at the meeting that the cost of bussing pupils from Minden to Twelve Mile was about \$1,000 last year, a cost that

the Minden Red Cross hopes to eliminate by moving their swimming program closer to town.

Frank Waters, head of Minden's Red Cross Water Safety Program offered every assistance to Mrs. Kinsman and the Stanhope group if they do decide that it is necessary to set up a swimming program of their own. Mr. Waters will be assisted in the coming season by Jim Burton.

The H.H.S.S. 1977 Fashion Show is now being organized by Mrs. Kenny's grade twelve family studies class. The Fashion Show will take place in May.

The midget volleyball exhibition tournament scheduled for Thursday, February 24, in which H.H.S.S. was to host Fenelon and Lindsay was cancelled due to poor road conditions.

This week's 50-Mile Club results are: Miss Keohler - 27 miles, Mr. Lerpiniere - 15 miles, Mr. Brohman and Mr. Oakley both with 6 miles.

After two of three games, the results of the Kawartha West Curling Championship, held in Haliburton, are Haliburton - 7, LCVI-1, I.E. Weldon - 7, Fenelon Falls - 5, I.E. Weldon - 7, Haliburton - 4, and LCVI - 8, Fenelon Falls - 3. Our boys curling team of Steve Collier, Grant Wallace, Brent Collier, and Mervel Mintz qualified for Kawartha Championships in third place.

BY JIM BADGLEY

A few seats are finally being filled at the Dysart Arena now that playoff time has rolled around.

The Haliburton Huskies are experiencing something that they haven't experienced much this season, other than a few games on the road, fans watching games. The Huskies have suddenly shown their true colors and started to come up with a few wins, a lot of wins in fact.

The Huskies have become successful in the playoffs, successful in the fact that they have started to draw people into the arena as well as winning games.

It would almost be fitting to have a few moments silence for the Haliburton Beaconbrook Midgets. The midgets had the best season of any OMHA team from Haliburton and then ended up dropping out of the playoff picture against a good club from Beaverton.

The Midgets lost the series 3-2 with both of the wins coming in Bobcaygeon ice. The club had the opportunity to win the series without much of a problem but came up flat in the fourth game played in Haliburton and then were forced to go back to Beaverton looking for a third straight win on that teams ice.

It isn't hard to understand why they lost. Who could have expected to win three games in the Beaverton rink. When one looks back on the season he will find out that Beaverton didn't lose a game on home ice for the entire year.

The Midgets did well winning two games on the road in the series, but played poorly at home and came up with a couple of losses when they should have won.

I don't think it would be a surprise if Beaverton goes on to win the All-Ontario Championship now, Haliburton just might have been the toughest series that club will have.

The midgets did provide some great hockey all season, lots of goals and some good hard hitting games. It was a long season for some of the players who also see action with the Huskies.

When looking back on the season one remembers a number of highlights including high scoring performances by Bernie Nicholls and who could forget a couple of games that Rod Consack put in as the club's scoring star.

To the midgets, it could have been worse, they could have had to play Ops in the last playoff round.

Mrs. Peggy Bassett, of Don Mills and Peninsula Drive in Haliburton came up with a card playing rarity a week ago. While playing cribbage with her husband Mrs. Bassett recorded a perfect 29 hand.

HALIBURTON NOVICE HOCKEY TEAMS

To the Coaches and Parents of Haliburton Novice Hockey Teams that participated in our hockey weekend of Feb. 26 and 27.

We would like to thank you for coming over and making our weekend a success.

Thank you again,

Don Rowbottom
Novice Coach
The Wilberforce Minor Hockey Association

A note of Thanks

May we express our sincerest appreciation to all who participated and gave their time to our son Tim's Memorial Tournament.

Thank You

COUNTY ECHO SPORTS

Lose 7-1 game

Huskies dominance ends

The Haliburton Huskies dominance of Lakefield ended Saturday night when the club took it on the nose and lost 7-1 in Lakefield. The Huskies now lead the best of seven semi-final series two games to one.

Lakefield opened up the scoring at 10:35 of the first period when Frank Young scored from Steve Spencer and Jim Rosborough. Huskies Ed Roberts and Tim Oram were both serving minor penalties at the time.

Lakefield opened up a two goal edge with another powerplay marker at 7:23 of the second period when Spencer scored from Andy Wasson and Doug Shannon. Roberts was again in the penalty box for that goal.

A goal by Dave Hartwick from Tim Bain at 10:12 of the middle frame put Haliburton back into the contest briefly.

Less than one minute later Spencer gave Lakefield a two goal edge again when he connected from Steve King and Rosborough.

Lakefield widened the count to 4-1 by the end of the period on the strength of a goal by Shannon from Bob Hunt.

The third period was all Lakefield's with the team scoring three unanswered goals.

Paul Graham scored at 12:32 from Hunt and Rosborough. Young scored at 13:54 from Brian Hockaday and Wasson and Hunt connected from Randy Freeburn and Graham at 16:03.

A total of 38 penalties were called in the game with 24 going to Haliburton.

Huskies Tim Bain, Jim Thompson and Barry Shaw all picked up game misconducts in the contest. Lakefield's Brian Hockaday was also thrown out of the game.

Jim Thompson and Dave Hartwick are two Huskies who will be giving as much as they can to a team effort in hopes of downing Lakefield tonight at the Dysart Arena. The game starts at 8:30 p.m.

Fourth game is scheduled for tonight

The Haliburton Huskies will faceoff tonight against Lakefield in the fourth game of the teams' semi-final series. The game, which will begin at 8:30 p.m., will be played at the Dysart Community Centre.

The Huskies, who finished in sixth place in the league, downed the third place finishing Bobcaygeon Tiacs in the quarter finals and now have a two game to one edge over Lakefield, who finished in first place, in the semi finals.

Huskies take game 2 by 5-3 score Friday

The Haliburton Huskies took a 2-0 lead in their best of seven semi-final series against Lakefield when the club came up with a close 5-3 win in the Dysart Arena Friday night.

Joe Roberts, the Huskies leading scorer during the regular season, opened the scoring at 10:26 of the first period after a rush down the ice by Tom Curry and a good stop by Lakefield goaltender Bill Corner. The rebound came out to Curry and Bernie Nicholls who both swiped the puck over to Roberts who was standing all alone. The goal was scored while Lakefield was shorthanded.

Prior to the opening score the Huskies killed a two man short situation for over 30 seconds with both Tim Oram and Barry Shaw in the penalty box.

Lakefield came back to score only nine seconds after the first Haliburton goal when Randy Freeburn connected on a play from Paul Graham.

Dave Hartwick gave Haliburton the lead at 12:33 of the second period when he scored on a good shot from a difficult angle. Tim Bain and Dave Levely assisted on the play.

Lakefield killed two, one man short situations in the first four minutes of the final period, but at the end of it all Haliburton came up with a goal just after the second man got out of the penalty box.

Nicholls was credited with the marker at 5:21.

after a scramble in front of the Lakefield net. He was able to get the puck over Corner who was down on the ice and past a Lakefield defenseman who had fallen into the net.

Curry and Roberts assisted on the play.

Lakefield got back in the contest at 8:30 of the period when a low shot went under Haliburton's goaltender Randy Ellison. Steve Hardill was given credit for the goal with assists going to Jim Rosborough and Steve Spencer.

Hartwick scored the eventual winner at 18:16 when he picked up a rebound and tucked the puck into an empty corner of the net. Levely and Bain assisted on the play.

With 56 seconds remaining in the game, Lakefield

pulled within one goal again when Haliburton got sloppy in their own end and let Spencer take the puck from behind the net and skate out in front to the slot where he scored with a high shot over Ellison's shoulder. Frank Young assisted on the play.

Haliburton's fifth goal of the game came with only one second remaining and Lakefield's goalie out of the net. The Huskies were able to steal the puck in the centre ice area and Bain finally ended up putting it in the net. Levely and Shaw assisted on the play.

There were 17 penalties called in the game counting game misconducts to Haliburton's Ed Roberts and Lakefield's Gerry O'Grady as the result of a fight at the end of the second period. Haliburton took nine penalties in the contest.

Haliburton, Ontario

The Dysart Arena is sporting a new ice cleaning and flooding machine. Recreation Committee chairman Don Lloyd is shown cleaning the ice on the new Zamboni which cost over \$20,000. The machine is part of the repairs and improvements which are being made to the community centre. Part of the funds to make the repairs and improvements are being raised by the Haliburton Rotary Club.

Huskies win first game with good third period

The Haliburton Huskies came up with a big third period scoring effort and took a 1-0 lead in their best of seven series with Lakefield.

The Huskies came up with five third period goals to down Lakefield 10-6 in a game played in Lakefield.

Bernie Nicholls lead the way in the scoring department with three goals while teammates Tom Curry had two goals and three assists and Joe Roberts scored once and added four assists. Nicholls also picked up an assist in the game.

Lakefield's Doug Shannon opened the scoring at 1:27 of the first period when he scored unassisted.

Curry evened the count for Haliburton less than one minute later on a play from Roberts.

Nicholls' first goal of the game gave Haliburton a lead

at 6:13 of the first period on a play from Roberts and Tim Oram.

Randy Freeburn evened the score for Lakefield at 12:20 of the first period on a play from Gerry O'Grady and Paul Graham.

Lakefield took the lead at 24 seconds of the second period when Graham scored from O'Grady.

Curry evened the score at 2:36 of the period with assists going to Roberts and Barry Shaw.

Lakefield picked up a lead again just two minutes later when Freeburn connected from Graham and O'Grady.

A powerplay goal by Nicholls evened the score at 9:53 of the period. Assists went to Roberts and Curry.

Lakefield came back with a powerplay goal of their own at 11:39 to take the lead again. Steve Spencer was credited with the marker

from Shannon.

Dave Hartwick sent the teams to the dressing room tied at the end of the middle frame when he scored from Dave Levely and Shaw at 15:34.

The third period was almost all Haliburton's scoring four straight goals before Lakefield was able to get back on the scoresheet.

Roberts opened the scoring at 4:17 of the period on a play from Curry.

Nicholls scored his third goal just 30 seconds later from Curry to give Haliburton a 7-5 lead.

Hartwick put the game right out of reach when he scored a powerplay goal from Oram and Randy Barras at 13:25 of the period.

Larry Stinson ran the count to 9-5 at 14:35 of the period when he scored unassisted.

Spencer put Lakefield back on the scoresheet at 15:35 on a play from Steve Hardill and Shannon.

Shaw netted the final Haliburton goal at 18:23 with Nicholls picking up an assist.

A total of 19 penalties were called in the game with Lakefield taking 10.

Avengers down Gassers

Ev's Avengers avenged themselves on Wes's Gassers by blanking them 7-0 which put them tied for second place with Audrey's Angels who took 5 off Ron's Rollers. Harry's Hornets still on top by taking 5 off Dan's Dynamos.

The bowling conditions really suited Eddie Cox who had a lovely 832 (358, 269), Marnie Robinson had 774 (309, 268), Ronnie Robinson, Jr. 735 (269, 255), Fred Cox 699 (245, 244), Wes Stata 697 (269, 233), Cliff Burke 680 (256, 220), Harold Harding 663 (293, 223), Harry Henderson 649 (249, 233), Ann Everall 635 (243), Ev Stata 628 (251), Audrey Fountain 617 (259), and Dan Harding 605 (261).

Other good games were bowled by Walt Ackersblade 258; Grace Downey 224; Fred Fountain 213; Barb Fountain 207, 204; Loretta Henderson 207; Ron Robinson, R., 205; Lynn Frankland 203; and Rick Harding 220.

All league executives are asked to note that the Houl Hellewell Trophy represent-

ative will be at Carnarvon Lanes on Wednesday, March 9 from 3-10 p.m.

Y.B.C.
Barbara Adams of West Guilford and Jeff Stamp of Minden will bowl with Master Bowlers Ron Robinson in the Master-Bantam tournament in Peterborough on March 13th.

Ladies bowling

Lillian Gorveatt rolled both highs, high single and high triple in the Thursday Afternoon Ladies' Bowling this week. Her high single was 324 and she had a triple of 734.

High singles rolled to date in the league are Iris Taylor, 353; Jean Carr, 334; Lillian Gorveatt, 324; Martha Harding, 309; Flo Henderson, 307; Kay Barry, 298; Audrey Fountain, also 298, along with Ev Stata, 298; Pearl Foster, 276, and Vi Smith 251.

Jean Carr leads in the high triples standing with 782. Audrey Fountain has 773; Lillian Gorveatt, 734; Pearl Foster, 720; Kay Barry, 711; Ev Stata, 695; Iris Taylor, 689; Martha Harding, 646; Verna Wagg, 621; Betty Yatemam, 618 and Mary Van, 607.

Bowlers in the over 200 average class are Lillian Gorveatt, Eva Piper, Pearl Foster, Kay Barry, Jean Carr, Audrey Fountain, Martha Harding, Ev. Stata and Verna Wagg.

Tri-County bantams tie 3-3

The Haliburton Tri-county bantams came up with a 3-3 tie in the first game of their best of five series with Fenelon Falls. The game was played Saturday night in Fenelon Falls.

Haliburton scored the only goal of the first period when Robbie Abbs connected from Dave Dodd at the 51 second mark.

A goal by Fenelon Falls in the first minute of the second period proved to be the only goal in the middle frame.

Jeff Robinson was credited with the marker from Jamie Kerr and Paul Brown.

Fenelon took the lead in the game at the 26 second mark of the third period

when Robinson scored unassisted.

Haliburton evened the count two minutes late when Dodd scored from Darren MacInnes.

Dodd gave Haliburton a 3-2 lead at 4:44 of the period on an unassisted play.

Fenelon Falls gained the tie with 1:53 remaining in the game when Robinson picked up his third goal. Assists went to Gary Brown and Steve Clutton.

Only four penalties were called in the game with two going to each team.

The next game for the Tri-County Bantams will be tonight at the Dysart Community Centre, beginning at 7:00 p.m.

Flyers blank Fonzie's Wednesday

The Flyers blanked the Fonzie's, Sooners downed the Floozies 4-3 and Hall-e-Hawks won 5-2 over the Jets in Wednesday Afternoon Bowling.

The team standings are now Sooners with 14, Floozies and Jets 13, Flyers 11, Hall-e-Hawks seven and Fonzie's five.

Bowling

Bill Cowan registered the top high triple in Tuesday Night Combines bowling on Feb. 22. He rolled 259, 251 and 237 for a triple of 747.

Jim Foster bowled 249, 236 and 171 for 656, Bill Donnelly came next with 183, 235 and 225 for 643, Bruce Metcalfe Sr. bowled 191, 258 and 176 for 625, just ahead of Bruce Metcalfe Jr. who rolled 201, 229 and 191 for 621.

Mabel Metcalfe rolled 219, 206 and 195 for 620, and Marnie Bunn, 210, 167 and 131 for 608.

High singles were bowled by Pearl Foster with 258, Jack Yatemam 225, Millie Beatty 222, Danny Harding 220 and Neva Hobden 213. Art Beatty had 207, Lillian Gorveatt 205 and Betty Yatemam 201.

Talk about tough luck! In one game, Peggy Henderson had five splits and four head pins, ending up with 126. No one else should ever complain again!

**'Community Living'
presents a new future
for the developmentally
handicapped.**

**This is what Ontario
is doing about it.**

Mentally retarded people are often capable of much greater development than had previously been thought possible. Although they learn at a slower rate than others, the developmentally handicapped can frequently develop skills and abilities that enable them to be integrated into the community as a whole.

The plan to achieve this goal, known as "Community Living," is administered by the Ministry of Community and Social Services and is conducted in partnership with local Associations for the Mentally Retarded and other concerned community agencies. Basically, it calls for:

- creation and funding of group homes and other kinds of community accommodation
- increased numbers of workshops and life skills programs
- early infant stimulation programs, parent relief and development projects
- access for developmentally handicapped people to a full range of community services.

All of these activities aim at achieving a better quality of life for Ontario's developmentally handicapped, and at making their experiences as normal as possible.

The approach is a new one. A good one. A healthy one. Your support and understanding can help it succeed.

For more information, or to receive the free booklet "Serving the Mentally Retarded," contact your local Ministry of Community and Social Services office, or write to:

Oh
Canada!

We have such a crazy climate in this country that by the time this appears in print some dingbat will have spotted the first crocus peeping its dainty head through the snow.

But right at the moment, any such crocus would have to come from the garden of King Kong.

This winter has been not a little unlike a sort of arctic King Kong - a vast, uncontrollable monster laughing with fiendish glee at the prospect of puny man trying to cope with his whistling, frigid breath, his frosty and fickle fingers, and his extremely bad case of dandruff.

Around these parts we've had 13 to 15 feet of snow, depending on whom you are conversing with. If you are talking to me, you'll learn that we've had 18 feet. My wife would say: "About twelve and a half feet," in that sickening righteous tone of hers that has made me hurl the hatchet and the butcher knife deep in the 16 feet of snow right behind the kitchen door to avoid temptation.

Though we have a pretty good running parry-and-thrust on everything from pea soup to politics, from golf to garbage, we just don't fight about the weather. Until this winter. Now it's hammer and tongs almost every day. And I seem to have wound up with the tongs.

I stagger out through the blizzard every morning, brush the snow off the car, scrape the ice off the windshield with my fingernails because she has lost the scraper, and sit there freezing my poorly padded bum for 10 minutes, warming the beast up.

Then I bomb the vehicle out of the driveway, risking my life every morning; because I can't see anything coming, from any direction. I park it on the street.

On the odd occasion when she decides to stop, she minces out to the car, heavily garbed, climbs into a warm wagon, parks behind the supermarket and walks 40 feet to the door. Every time she goes out, it has stopped snowing for one hour, the wind has dropped for one hour, and the sun gleams palely for one hour.

She leaves the car out on the street when she comes home. I clean it off again, buck it through a drift into the driveway, climb through more snow that goes in over my boots, and totter, breathless and forlorn, into the house.

"Why do you make such a fuss?" she queries. "It's been a beautiful winter day."

I don't mind her scoffing at my golf game, being able to ski twice as fast and far as I, or wondering aloud why anybody reads my column. But this winter she's gone too far. One of us has to break; either the weather, or me.

She won't be so dam' smart when she wakes up on the first day of the March break and finds a note pinned to her pillow: "Off to the Canary Isles for 10 days. Hear they're loaded with Scandinavian girls in bikinis or (gasp!) topless. Why don't you go and visit Granddad for a week or so. Love, Fahrenheit Bill." She's a Celsius and it drives me nuts.

But it's not only my wife who has helped, with the aid of this atrocious winter, to depress me. It's the cost.

This is rough reckoning, but close enough. From last November the first, it has cost me, approximately: \$420 for fuel oil; \$120 for driveway plowing; \$50 for the kid next door, snow shovelling; \$60 for batter boosts, tow trucks and other winter items for cars. That, my friends, is 650 bucks for the privilege of spending the winter in the true north, strong and freezing. Oh, Canada!

You can well say that I didn't need to spend all that. Well, I dang well did. I could have saved a bit on the oil bill by burning the furniture. And I could have saved a bit on the plowing and shovelling if I had been able to quit my job and shovel about four hours a day. But it seems rather a peculiar way to save money. And of course, by now I'd be dead of a heart attack, so where's the percentage?

Tell me, some of my friends who go south every

winter. Does it cost more to ead down there? Less, you say. Does it cost more to drive a car down there? Less, you say. Does it cost more to accommodation? Less, you say, and you add that it can cost \$52 for an ordinary double room in Toronto, Montreal, Vancouver.

But don't you get sick of all that fresh orange juice, and those crispy salads twice a day? No, you say.

Don't you feel you are deserting this ship, somewhat, when your country needs you, when it is the duty of every man and woman to put his and/or see page 10

Grant request is shelved

The request for a grant for the organization of a Red Cross Homemaker service, applied for by the Minden Red Cross, on behalf of the program which has now begun in the County, has been shelved by the Ministry of Community and Social Services.

The grant was applied for under the province's program of supplying funds for alternate care of the elderly. The Minden Red Cross recently received a letter indicating that the requests for grants has exceeded the funding allocated to the project, so the Ministry is reconsidering the venture.

Alan Stott, Minden Red Cross president, noted at the February 21 meeting of the Red Cross that the cost of setting up the program will now fall a little heavier on the individual Red Cross Associations. The Homemakers do charge a fee for their services, but that covers only their salaries, and not administration costs.

IN MEMORIAM

In loving memory of a dear husband and father, Thomas C. Bagshaw who passed away February 26, 1950.

Beautiful memories
Are wonderful things
They last till the longest day
They never wear out
They never get lost
And can never be given away.

To some you may be forgotten
To others a part of the past
But to us who loved you and lost you
Your memory will always last.

Sadly missed and ever remembered by wife, Vera, Son Tommy, Daughter-in-law Marilyn and Granddaughter Lisa.

BAIN - In loving memory of my dear father and grandfather Clarence who passed away March 3, 1976.

What we would give if we could say
Hello, Dad in the same old way;
To hear your voice, see your smile,
To sit with you and chat awhile.
So you who have a father,
Cherish him with care,
For you'll never know the heartache
Till you see his vacant chair.

Always remembered and missed by the Family.

HICKS, Orville - March 1st, 1973.

In memory of a beloved husband and grampa.

Within our store of memories,
He holds a place apart.
For no one else can ever be,
More cherished in our hearts.

Ever remembered by May, Ruth, Murray, Dwin, Arlene and Jim.

BAIN - In loving memory of my dear husband Clarence, who passed away one year ago March 3rd, 1976.

I remember the day I met you
And the day God made you mine
How well I remember the day he took you
I will till the end of time.
Among my tears and heart-aches,
There is one thing that really makes me glad
That you chose me to share those precious years we had.
We will meet again someday.
To live and love anew.
These words come with sad regret from the heart of your wife who will never forget.

Always loved and sadly missed by your wife Ruth.

God wouldn't have given us feet if he didn't mean for us to use them.
Walk.

DEATH NOTICE

JAMES ARTHUR ROBB: of Norland Ontario entered into rest Feb. 2, 1977 at The Sunnybrook Hospital, Toronto as a result of an accident. Jim was in his 24th year. He was the beloved husband of Juanita Goslin, Son of Mr. and Mrs. Hugh Robb and Dorothy Kelly, Son-in-law of Helen and Alvin Goslin. Dear brother of Miss Phyllis Robb of Mississauga, Mrs. Faye Boldue of Lindsay, Mr. Hugh Robb Jr. of Victoria B.C. and three stepbrothers Charles, Paul and David of Niagara Falls.

Funeral Services from John Welch & Son Ltd., Minden, Ont. Feb. 5 at 2 p.m. Temporary Interment at Pine Grove Cemetery Norland.

The Pallbearers were Michael Easton, Bradley Watson, Chris Batty, Gene Suggitt, Gary Greig and Wayne Perry.

PACKARD - Jim and Rhonda (nee Beaver) are very happy to announce the safe arrival of their daughter Cassandra Marie, 7 lbs. 2 ozs. born Monday, February 21st, 1977 at the Bancroft Red Cross Hospital.

Wedding Announcements

We would like to announce the wedding of Thomas Jowett (son of Donna and Ralph Jowett) to Janice Mulholland (daughter of the late Ellen and William Mulholland) to take place on February 28, 1977.

The wedding dance to take place at the West Guilford Community Centre on March 5th. Everyone is welcome.

JOAN HARRISON and GERALD IRISH are happy to announce that their marriage will take place on Saturday, March 12 at the Haliburton United Church. All friends are welcome at the dance at the Watson Memorial Centre in Wilberforce at 9 p.m.

Thank-You

ROBB - The family of the late James A. Robb wish to express their sincere thanks to relatives, friends and neighbours for their many acts of kindness, messages of sympathy and floral tributes and donations. Many thanks to the doctors and nurses of Lindsay and Sunnybrook Hospitals also the drivers of the ambulances and attendants. Special thanks to John Welch & Son Funeral Home and Rev. R. Vanderlip.

Juanita Robb
I would like to express my sincere appreciation to all who visited, or sent cards and flowers while I was a patient in the Civic Hospital. The kind attention of the nurses and doctors in Minden Hospital and Peterborough Civic Almost makes it a pleasure to be sick. My sincere thanks to all.
Reg. Booth

I wish to thank the nurses and the staff of the Haliburton, Wellesley, Princess Margaret Hospitals, Dr. Heyes, Dr. Sutherland and Dr. Livingston, Mackay Funeral Home, Rev. Rosch of the Haliburton Gospel Lighthouse, McKnight and Blair Construction and all our friends and neighbours for visits, flowers, cards, food and donations to the Cancer and Gideon Bible Societies at the time of the passing of my dear wife May.

Gems of Truth

Dynamic Christian Living

"Be not overcome of evil, but overcome evil with good." Rom 12:21.

The Epistle to the Romans begins with an introduction of how the old Adamic nature in man operates. Not until we come to verse twenty-one of the third chapter is there a remedy presented. That remedy is now shown to be effective to the curbing of the vile behaviour pattern of the natural man. The "conflict" which follows between the old nature and the new nature received when faith in the redeeming work of the Saviour is operative, becomes the portion of all who are truly children of God.

The exhortation to be an "overcomer" is not directed to a few great saints, but is offered as the normal and anticipated experience of every soul that has received Christ as Saviour. The ideal of daily victory over the old nature for every Christian is held out for us in the Book of Romans. It could be the normal way of life, if God had His way in our hearts.

Every child of God, personally, is a battleground. The old nature of Adam is in continued rebellion against the new nature of Christ. This old nature resides in the flesh of our body, whilst the new nature has its dwelling place in our soul and spirit. One of the two natures is determined to reign or control our way of life, thus a constant battle is in progress. The only ones

who do not experience this conflict are those who are dominated by the old nature, in whom the flesh is reigning supreme. Should such be the case it is very doubtful as to whether new life has ever made an entrance. Only a live spirit fights, and if you have no conflict to wage, it is good evidence that you are still dead in trespasses and sins and therefore cannot recognize the need to fight against certain evil traits, habits and tendencies.

No Christian can be the passive slave to sin, and "everyone is slave to him whose will you do." It is one thing to withstand evil, and it is quite another thing to be "overcome" by it. No true child of God can accept this latter condition. How then do we become the conqueror of evil? By the "good" of course! This "good" is defined for us in Romans 6:23, it is the free gift of God which is life eternal in Jesus Christ our Lord.

Here, and here alone is found the road to victory. Here is the daily program for the one who would be an "overcomer". Let the new nature (life) which is received by grace, seize the reins of your living and let the indwelling Holy Spirit guide your conduct daily. In that "new life" all that is evil can be uprooted, and there will be victory in the battle.

This does not mean that there will be no more conflict, but it does mean

you will be the winner. Who cares how often we must engage in battle if we can be sure of being winners? Why not make a consistent and daily attempt to rest all the details of daily living in the "good", which has come to you in the "new life" you have from Christ? A would be conqueror must have a singleness of purpose. This simply means a determination to abide in Christ, and daily tread the path of surrender to the things of Christ. It is thus that evil will be readily recognized and hated and a desire for good ingrained. Thus one will lose his taste for sin and increase the appetite for true holiness.

No one will ever "evolve" into perfection and sinlessness. We will be confronted with evil as long as we are in this body of flesh, but we can at least refuse to be "overcome" by it. What better way to be a victor than by letting the "good" do its work on our behalf?

The test of our Christianity is not the loud profession of being a Christian, but the practical profession of being a Christian, but the practical showing forth of the true Christian spirit in everyday life and conduct. Happy indeed is the child of God who in all his ways seeks to live by the great spiritual principles set forth in the Scriptures of Truth. Blessed indeed is that Christian who acts the Christian and is not overcome of evil but overcomes evil with good.

The Word of God

by Brian V. Sullivan

The first three books of the New Testament (Matthew, Mark and Luke) are called the 'synoptic' gospels because of the similarity in their accounts. The word 'synoptic' comes from a word which means 'seen together'. It is not difficult to arrange their events loosely in parallel columns and view them together, hence the term 'synoptic' is applied.

John, the writer of the fourth gospel, was an intimate friend and apostle of Jesus. John's account is different than the others in manner of approach and treatment of the life of Jesus. He emphasizes the claims that Jesus made regarding himself and the signs which He performed as proof that He is the Son of God. If any one passage is a theme of this book, then John 20:30-31 is. Some outstanding words of the book are 'light', 'life', and 'love'.

One author said, 'Matthew gives prominence to His royalty, presenting Him as a King, and speaking much of the 'kingdom of heaven'....Mark, in like manner, brings our Saviour's humiliation into the forefront....He seems to contemplate Him 'in the form of a servant'.... The trait which John brings into prominence is the essential divinity of our Lord, while in Luke we are brought to look at His humanity.'

Another way it may be said is, that Matthew shows Jesus to be the Messiah

(Matthew 1:1); that Mark shows him to be the Servant (Mark 10:45); that Luke shows him to be the Saviour (Luke 2:11); and that John

shows him to be the Son (John 20:30-31). In our next article, we will begin a brief study in the main points of the life of Christ, see you then.

Along the Trail by Roy Bates

While we feel that adequate publicity has been given to the snowmobile operator safety training program initiated this winter to prepare previously unlicensed snowmobilers for compliance with section 8 of the Motorized Snow Vehicles Act, it might be well to elaborate once more on just what the new regulation provides.

Prior to March 1st, 1977, the Act required that no person shall drive a motorized snow vehicle along a highway (including road or street) unless (a) he has attained the full age of sixteen years; and (b) he holds a driver's license. Clause (c) which became effective March 1st adds, "or he holds a motorized snow vehicle operator's license." Thus, subsection (l) of section 8 opens the door for all persons over sixteen who are not licensed automobile drivers to obtain a license for snowmobile operation.

Subsection 2, which also came into force on March 1st, states that no person shall drive a motorized snow vehicle across a highway unless (a) he has attained the full age of fourteen years; and (b) he holds a driver's license, a motorized snow vehicle operator's license, or is a resident of any other province, country or state and holds a license which authorizes him to drive a motorized snow vehicle.

The snow vehicle operator's license is easily attainable. A six hour course of instruction is given by specially certified snowmobile instructors, to ensure that the licensee has a working knowledge of the vehicle, is properly informed of the dangers inherent in the sport, and is aware of the snowmobilers responsibilities.

11 car crashes

During the week of Feb. 21 to 27 the staff of the Minden Detachment of the Ontario Provincial Police investigated 36 general occurrences and 11 motor vehicle collisions.

There were two persons charged with impaired driving and three persons charged with snowmobile violations.

Guilty plea

February 23, Harold Rowden, 22 of RR 2 Minden, Ontario entered a plea of guilty before Judge G. Inrig in Minden Provincial court to four (4) offences for false statements made to the Unemployment Insurance Commission.

Judge Inrig assessed a fine of \$100.00 or 10 days in jail on each offence.

Judge Inrig advised Mr. Rowden he now owed a fine of \$400.00 plus the overpayment of \$388.00. Judge Inrig stated the overpayment must be paid back to the Unemployment Insurance Commission directly and he could always served the time in jail to pay off the fine.

Right now mortgages cost less

have been much higher. We can properly expect that the Ontario Provincial Police will begin immediately to enforce these new laws. We urge the parents of snowmobiling families to get their children over twelve enrolled for an upcoming course. It is much cheaper than the fine for illegal operation.

Snowmobilers' Dance
The Haliburton County Snowmobile Association will hold its end of season "Snowball" in the Haliburton Royal Canadian Legion Hall, Saturday, March 19th. Music by Carm Peters. Everyone is welcome for this evening of fun.

Smiley from page 8

shoulder to the car that's stuck in the drift? No, you say.

Have you no thought, no slightest sympathy, for the pensioner who tries to peer through his frosted windows who is scared to venture forth because he might bust his back in a foot-skid, or freeze into a statue on his way to the liquor store? Definitely not, you say.

O.K. O.K. I haven't figured it out yet, but I'll devise some way of some day getting even with all you rotten rich who are loafing around in the sun while I battle with the Old Battleaxe about the windchill factor.

In the meantime, it's the least you could do, somebody, anybody, to ask me down for a long weekend. From about the fifteenth of February to the Ides of March would be just right.
